

WILD & SCENIC FILM FESTIVAL

June 2022
Gainesville, GA

The Wild & Scenic Film Festival inspires environmental activism and a love for nature through film. Attendees can expect to see award-winning films about nature, community activism, adventure, conservation, water, energy, climate change, wildlife, environmental justice, agriculture, and more. The carefully curated selection of films features stories that give us a sense of place and what it means to be responsible stewards of the earth.

The festival is a natural extension of Chattahoochee Riverkeeper's efforts to encourage and inspire people to act on behalf of the environment. There will be guest speakers, a silent auction, raffle, drink stations, and more!
