

# SWEEP THE HOOCH

Saturday, March 23, 2024  
Chattahoochee Watershed

Sweep the Hooch is the southeast region's largest one-day, watershed-wide litter cleanup. Back for the 14th year, Sweep hosts more than 60 cleanup sites spread over 200 river miles from the headwaters in Helen, through Atlanta and down to Columbus, GA. Sweep the Hooch is THE spring cleanup event making a difference in all our communities throughout the Chattahoochee watershed.

In 2023, almost 1,500 volunteers removed 63,800 pounds (32 tons) of trash, tires and recyclables from parks, creeks, and the river we all share. Of that 63,800 pounds, more than 5,640 pounds (3 tons) were recycled. This event is hosted in partnership with local, state, national organizations and businesses with a presence in the Chattahoochee watershed, and we rely on the support of sponsors to host a cleanup of this magnitude.
