Free music festival supports water conservation on Lake Lanier

Cumming, Georgia – Chattahoochee Riverkeeper (CRK) is excited to host the third annual [Waterfest](#) music festival on Saturday, May 9, from 5:00 to 10:00 p.m. at the [Cumming City Center](#).

Attendees are invited to enjoy performances by local artists Past Our Prime, The Jesse Williams Band, and The Page Brothers Band.

Proceeds will support CRK's water protection efforts on Lake Lanier and in the surrounding headwaters of the Chattahoochee River, including water quality testing, litter cleanups, research, advocacy, and education.

The event features an Environmental Expo where attendees can learn how to support other important local causes. Guest exhibitors include America's Boating Club, Citizens Climate Lobby of NE Georgia, Forsyth County Water and Sewer, Georgia Reptile Society, Keep Forsyth County Beautiful, Lake Lanier Association, Paddle4Tomorrow, and the Georgia Wildlife Resource Division.

"Waterfest is a celebration of our mission to protect Lake Lanier and the Chattahoochee River for the last 32 years," says Bailey Cuttle, event organizer and CRK's Headwaters Development Specialist. "It's also a reminder that this work would not be possible without the support of the community, fellow organizations, and local businesses. Together, we're safeguarding our waterways for all the people and wildlife who depend on them."

Thanks to the generous support of sponsors, Waterfest is free to attend and open to the public. This outdoor event is rain or shine; attendees are encouraged to bring their own lawn chairs or blankets to sit on. Free parking and bike racks are available at the venue.

More information, including a map of the venue and event schedule, can be found online at www.chattahoochee.org/waterfest.

Thank you to the sponsors of Waterfest!
